

Approved For Release 2005/07/13 : CIA-RDP79R00904A001500020006-0

17 August 1970

NOTE FOR

I believe you are, or will be, summoned to a bull session with the Director tomorrow morning on Soviet matters. His desire for this meeting seems to have arisen out of a memorandum we wrote for him of which I attach a copy. I do not understand that he wished to discuss this particular paper; it is simply that this paper set him off on a desire for general discussion.

ABBOT SMITH
Director
National Estimates

ATTACHMENT:

Memo to the Director, dtd 14 Aug 70

"Soviet Aims in the Middle East -- Plan or Improvisation"
